

Mineta San José International Airport Media Parking

Enter the Airport and follow the signs to Terminal A. Stay to the right and proceed past Terminal A. To your right, just beyond the International Arrivals Facility, in front of the North Concourse construction, there is a yellow curb and blue signs on the fence designating the Media Parking Zone. Please park along the yellow curb, between the signs, and prominently display a copy of your Press Pass on your vehicle's dashboard. Contact Airport Media Relations to inform them of your arrival at (408) 501-7700. Thank you for your cooperation.
