Re: CHANGES TO TRIP FEES EFFECTIVE OCTOBER 1, 2017

The Mineta San Jose International Airport (Airport) has conducted its biennial review of trip fees for the Ground Transportation (GT) industry as guided by Rate Resolution 77561. In accordance with Title 25 of the City of San Jose Municipal Code, as amended by City Council on August 8, 2017, and the Rate Resolution, the Airport may set fees based on industry indicators as well as charge trip fees for both pick-up and drop-offs at the Airport.

The Airport, in reviewing other local area airport fees and operations as well as current GT and passenger volumes, is adjusting the per trip fee for all GT operators who do not operate as part of the On-Demand Management System. The Airport commits to maintain trip fees competitively below local airport trip fees.

The trip fee adjustments, effective October 1, 2017, will be:

- \$3.00 per trip for pick-up
- \$3.00 dollars per trip for drop-off
