Subject: Infrequent Operator Permit (IOP) Rate Increase

Effective May 1, 2019, the Infrequent Operator Permit (IOP) rate for Ground Transportation providers at Mineta San Jose International Airport has been revised. In accordance with Rate Resolution 77561 approved by the City Council of San Jose on March 4, 2014 and Title 25 of the City of San Jose Municipal Code, as amended by City Council on August 8, 2017 the Airport may set fees based on industry indicators and increased traffic volume and impacts to roadways and access systems maintained by the Airport.

Changes to the IOP rate are noted below –

- \$25 IOP Fee – valid for 24 hours from date and time of purchase

Your continued business at Mineta San Jose International Airport is appreciated. If you have any questions about the new rate, please contact me at (408) 392-3515.

Sincerely,

Sylvia Trejo
Airport Operations Superintendent
